HITN Partners with Curiosity to Bring Premium Documentary Series and Specials to Spanish-Speaking Audiences in the US

From Ancient Mysteries to Wild Wonders: HITN Acquires Diverse Curiosity Documentaries

New York, December 16, 2024 – HITN, the leading Spanish-language public media network in the United States, and Curiosity (Nasdaq: CURI), the global media company known for its award-winning documentary features and factual entertainment, today announced a strategic alliance that will bring a diverse range of captivating content to HITN's viewers.

As part of this exciting partnership, Curiosity will license to HITN the following premium Curiosity original series:

- *Ancient Engineering* (seasons 1 & 2)
- *CSI on Trial* (6x52)
- *The Secrets to Civilization* (3x52)
- *Tracker's Diary: Bears of Katmai* (5x25)
- *Rescued Chimpanzees of the Congo with Jane Goodall* (5x52)
- *The Humboldt Current* (3x52)
- *Ancient Earth: Dinosaurs of the Frozen Continent* (2x52)
- *Giants* (5x52)

Filmed in every corner of the globe, uncovering ancient mysteries and exploring future technologies, these acclaimed Curiosity original productions offer a wide range of entertaining, educational programming that satisfies viewers of all ages. HITN's acquisition of these programs aligns with its mission to provide high-quality, informative content to Spanish-speaking audiences across the United States.

"We are thrilled to partner with Curiosity to bring these exceptional programs to our viewers," said Erika Vogt-Lowell, Director of Programming and Acquisitions for HITN. "This alliance strengthens our commitment to offering diverse and engaging content that inspires and educates. We look forward to a long and fruitful collaboration with the team at Curiosity."

“Partnering with HITN to license some of our most compelling content is a thrilling opportunity to expand our reach and share Curiosity's unique storytelling with new audiences,” said Ludo Dufour, Vice President of Licensing at Curiosity. “HITN’s dedication to providing high-quality programming to Spanish-speaking audiences aligns perfectly with our mission to make factual entertainment accessible to everyone.”
